

# PROCEDURE OF INSTALLATION

## For Boltless Steel Racks

### Important Information

- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging material and place the components on top of the carton box or on a clean floor to prevent it from scratching.
- Check the pack and make sure you have all the parts listed. Tools not included.
- Use a rubber mallet. 

### Safety Precautions

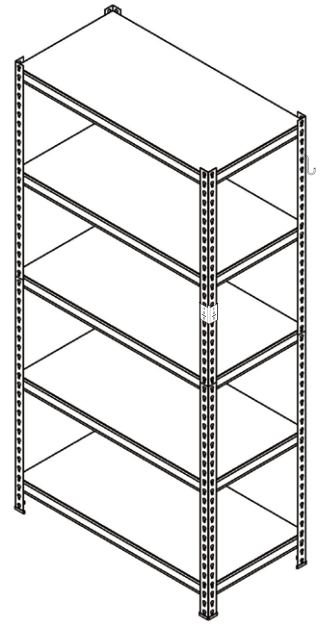

- This product should only be used on firm, level ground.
- Make sure the legs remain in contact with the ground.
- Please read the following instructions carefully and use the product accordingly.
- Children are not allowed to stand, climb or play on the product to avoid serious bodily injury by the topping.
- Children are not allowed to assemble the product. During assembly, keep any small part out of reach of children as they may be fatal if swallowed or inhaled.
- Avoid sharp objects and corrosive chemicals to prevent damage to the product or bodily injury.
- Keep plastic packing bags out of reach of children to avoid any potential danger, such as suffocation.
- Do not use power tools to construct this product.

### Care Information

- Never use scourers, abrasives or chemical cleaners.
- To clean wipe with a sponge and warm soapy water. Do not use solvent based cleaners or detergents as they can bleach or damage the product.
